To whom it May Concern:

The following flaw detector manufactured by Krautkramer Japan Co., LTD, HIS-3LF Rev 1.50 has been qualified as of July 17, 2006, and a letter will be written to add the new version to the DFO for P3TF22, P3TF30, P3TF35, and the new Specification P29TF82.

Sincerely,

A handwritten signature in black ink, appearing to read 'Terry Dakin'.
